## 城市介紹 City Information

Florianópolis is a tourist destination whose greatest attraction is its natural beauty, cultural heritage and hospitality. The natural condition of the city, mainland and island part, the various bays, coves and peninsulas, the relief elevations covered with dense tropical vegetation, a diversification of beaches for a

wide variety of audiences, mark the natural potential of tourist attractiveness of Florianópolis. The historical conditions of occupation, with a Portuguese base, with well-preserved houses in several locations, associated with a thriving creative economy that encompasses several creative fields, particularly Craft and Folk Arts, music, literature, film, media arts and gastronomy. In the field of Gastronomy, the hospitality of Florianópolis stands out, allowing excellence in the services offered to

residents and tourists, to be combined with the good welcome typical of Brazilians, especially to residents of the coast, who have in their connection with the sea, the city itself has a culture of welcome to those who come to enjoy the beauty of the scenery, the humanization of relationships and the high-spirited ambiance of the coast of Santa Catarina.

## 廚師簡介 Chef Information

- **Narbal De Souza Correa**

Narbal Corrêa has been a spearfisherman for 50 years and has been cooking professionally for 40 years. He has traveled and cooked on 4 continents: America, Asia, Europe, and Antarctica. He works as a consultant for bars and restaurants, provides catering for events, is a business partner at Puro Oyster Bar (@purooysterbar), and lectures at university courses. He is the author of 3 books on gastronomy. Representing the cuisine of Florianópolis, Narbal creates recipes with

ingredients he catches on his fishing journeys and other local products. He is considered one of the best chefs in the country, but when asked, he prefers to say that he is the chef with the most friends, and that's what matters...
